

Source of Wealth Declaration

Client: Claudia Moser. Swiss national, born 22 June 1981 in Lucerne.

Source of wealth: founded and sold a renewable energy company.

2009: founded Helio Grid AG (Lucerne), solar generation and battery storage.

2019: took a CHF 30 million growth investment from Meridian Energy Holdings Ltd.

2021: bought back the Meridian Energy Holdings Ltd stake to regain full ownership.

2022: sold Helio Grid AG to a European utility for CHF 150 million.

Note for compliance: Meridian Energy Holdings Ltd, a former minority investor, was later named in adverse media over a procurement inquiry. The investment was arm's length, the stake was bought back in 2021, and the matter concerns the investor, not the client. The client and Helio Grid AG are not party to it.

Current net worth about CHF 120 million, held through Moser Capital AG (Zug).
