

Company Profile, Helvetic Bulk Trading AG

Helvetic Bulk Trading AG, Basel, founded 2006 by Tomas Berg.

Dry-bulk commodities and freight trading across European and Mediterranean routes.

Between 2015 and 2017 the firm chartered tonnage through Northbridge Maritime FZE.

The firm grew to about 40 staff and a stable book of industrial clients.

Acquired by a Swiss commodities group in 2021 for CHF 165 million.

Tomas Berg stepped back from operations after the sale.
