

Source of Wealth Declaration

Client: Tomas Berg. Swiss national, born 9 February 1976 in Basel.

Source of wealth: founded and sold a commodities and freight trading business.

2006: founded Helvetic Bulk Trading AG (Basel), dry-bulk commodities and freight.

2015 to 2017: chartered vessels through Northbridge Maritime FZE on several dry-bulk routes.

2018: ended the chartering relationship with Northbridge Maritime FZE and moved to other carriers.

2021: sold Helvetic Bulk Trading AG to a Swiss commodities group for CHF 165 million.

Note for compliance: Northbridge Maritime FZE was later named on a sanctions list in 2021, after the client had already exited the relationship in 2018. The chartering was arm's length freight service, paid by invoice, and predates the listing. The client retains no stake in, and no contract with, Northbridge Maritime FZE.

Current net worth about CHF 140 million, held through Berg Capital AG (Zug).
